</table>

**Translated Notes:**
- "Pois à gratter" is listed multiple times with different names and descriptions.
- "Poivrier" includes different varieties such as "Poiverté sauvage." and "Poivrette sauvage." with their respective pages.
- "Pomme d'Acajou" has several descriptions, including "d'Amérique," "d'Espagne," and "d'Ethiopie."
- "Prunes" and "Pruniers" are detailed with various sections and descriptions provided in the table.
